See Continuation Sheet

Part III.

- ☐ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability.
☐ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.

(Examiner/SPE Signature)

(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: examiner called as applicant's arguments on pages 12-13 seem to suport J-laying, not s-laying as claimed. Examiner believes she understood applicant expain that it was the fact the the angle of the pipe at a first point (relative to a pure horizontal axis) getting steeper with respect to the pipe angle at a point vertically below the first point. .
